

The 14th World Peace Ethics Contest 2021

WORLD-PEC Online for Young People: Grades 4-12

Background

'Young people' are our nation's future. They are key influences in building a better society and country. As we realize the rapid growth in technology developments and more elaborated learning methods, more so than ever, our young people truly need to be well-equipped and well-balanced with the good quality of the mind.

World Peace Ethics Club, Thailand, have a goal to promote young people both in Thailand and abroad to learn basic moral principles taught by the Lord Buddha that are universal and accessible to people of any race and religion. Young people can learn the knowledge in their daily lives. This will enable them to have good minds and success in their lives with inner peace and can spread this happiness to families, societies and countries. Finally, it can create love, harmony and true peace.

For this reason, World Peace Ethics Club initiated the First Annual World Peace Ethics Contest (World-PEC) for Young People in Thailand in 2008. **The participating students learned moral principles of 38 Blessings of Life from the book "Values Education for Peace" and wrote a "Diary of Inner Peace" of the good deeds they have performed.** WORLD-PEC has been an uplifting success to expand the inner peace for young people starting in Thailand and expanded to Bangladesh, Myanmar, Nepal and India with organizations. **For 2021 we recognize the importance of promoting young people to grow up in the good and right way amidst the fast-growing social and the Covid-19 pandemic. Therefore, we will organize the online examination for young people in order for them to participate in the 14th World Peace Ethics Contest continuously.**
